Re: Extension Accreditation Status for LifeLabs Medical Laboratory Services - Victoria
Reference Laboratory
Disciplines: Hematology, Chemistry and Microbiology

Dear Dr. Kelly,

On November 25, 2008, LifeLabs Medical Laboratory Services - Victoria Reference Laboratory completed the Diagnostic Accreditation Program's self assessment and on-site survey components of the three year accreditation cycle.

The Full Accreditation status for LifeLabs Medical Laboratory Services - Victoria Reference Laboratory expired on December 31, 2008.

This letter is to confirm that the Board has approved the extension of the current accreditation status for LifeLabs Medical Laboratory Services - Victoria Reference Laboratory. The effective date of this approval is December 11, 2008, and will be in effect until the facility receives their accreditation report and new accreditation award.

If you have any questions or concerns regarding the above, please do not hesitate to contact me directly.

Sincerely,

Helen Healey, RN, BScN
Director, Accreditation Services
